

The Constitution is Important to Me

The Constitution is important to me because it keeps people safe and that is not all! It was made on September 17, 1787. Constitution Day is September 17! People everywhere celebrate Constitution Day and we have many rights because of the Constitution.

The Constitution says "We the people of the United States in order to form a more perfect union establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare and secure the blessings of liberty to ourselves and posterity do ordain and establish Justice, insure domestic tranquility, provide for the common defense, prompt the general Welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America.

The Constitution is important because it says "We the people" are free so we can choose to be good or bad. What I love when the Constitution says "We The People" is because Americans have the right to vote for presidents and the people in the USA can also vote for a mayor and you can vote to change laws.

We all sing "The Star Spangled Banner" because we love our country. Why do we love our country? Because it has Thanksgiving because you pray, have turkey, dinner rolls, pumpkin pie, cranberries, and chocolate pudding pie. Remember the pilgrims had Thanksgiving in 1623. They could eat pumpkin pie and cranberry sauce.

We have the right to cook, eat, drive your car when we're 16 years, be a dad, and mom, grandma, and grandpa, and go to school.
